CONFIRMATION OF REACH & SVHC COMPLIANCE

Product Reference: 3D Printer filament

Product Name: PLA, PLA MATTE, PLA TOUGH, WOOD PLA, ABS100, ABS, ASA, PETG, CARBON-FIBRE PETG

Filamentive is well aware of the EC regulation 1907/2006 (REACH) and its requirements and timetables. We are fully committed to meet our obligations under REACH and thus safeguard the continuation of supply of our products. REACH is a pre-condition for Filamentive to do business in Europe.

Filamentive is a supplier of 3D Printer filaments and thus acts mainly as a Downstream User (DU) for most of the ingredients.

For 3D Printer filament grades mentioned above, all ingredients have been registered according to REACH tonnage bond requirements, in case they are not exempted or excluded from REACH regulation.

We also confirm that 3D Printer filament grades mentioned above do not contain any substance which at the current time is on the candidate list (update 8th July 2021) from the European Chemicals Agency (ECHA) for inclusion in Annex XIV as a substance of very high concern (SVHC) in concentration of 0.1 wt% or more.
