

Filamentive Recycled Content Declaration

(ISO 14021:2016)

Company Name: Filamentive Limited

Address: Bradford Chamber Business Park, New Lane, Laisterdyke, Bradford BD4 8BX, UK

Contact: info@filamentive.com | +44 (0)333 366 0020

Date of Declaration: 9 July 2025

Filamentive Ltd is committed to reducing the environmental impact of its products and ensuring transparent, verifiable claims in accordance with ISO 14021:2016.

Product Line ¹	Material Composition	Recycled Content ²	Verification Method
PLA (including ReFill)	PLA (Polylactic Acid) biopolymer	50% recycled PLA polymer by weight (post-industrial); remaining 50% virgin PLA	Supplier declarations, internal batch records, production traceability.
Bio-Filler PLA (including Algae PLA and Hemp PLA)	90% PLA biopolymer + 10% organic bio-filler	50% recycled PLA polymer by weight, combined with 10% recycled bio-filler	Supplier certification, internal traceability, production records.
PETg (including ReFill)	100% Thermoplastic PETg polymer	100% recycled PETg polymer by weight (post-industrial)	Supplier evidence, quality checks, production records traceable to each batch.
Carbon Fibre-PETg	PETg base polymer derived from 100% recycled post-industrial sources; 15% reinforced with carbon fibre powder	85% recycled PETg polymer by weight blended with 15% recycled carbon fibre powder	Supplier documentation, traceable batch records, supporting certification.

Note: products not listed were not produced from recycled material as of July 2025.

Disclaimer

Filamentive's recycled content claims are self-declared under ISO 14021 (Type II). Recycled content may vary due to supply, regulation, or operations. ¹Based on the average of all colours as of July 2025. ² Recycled material is sourced from post-industrial (pre-consumer) waste. Filamentive relies in good faith on third-party supplier data and accepts no liability for end-user environmental claims. This declaration has been created electronically and is valid without signature until a revised version is published. For further details, please contact Filamentive at the address above.
